Facility Use Policy

SwimMAC is fortunate to be associated with Davidson College and have the use of its facility. Coaches, swimmers, and parents are to follow the procedures listed below.

Drop off/ Pick up

You may drop your swimmers off in the Baker Sports Complex Parking Lot 15 minutes before practice starts, but no earlier. Instruct your swimmers to stay on the sidewalks and off the grass or planted areas. On occasion, Davidson College will have activities that require the use of the parking lot. You will be notified of these days and given directions for drop-off and pick-up. Parking may be limited during such events. Note the speed limit in the Davidson College parking lot is 10 mph. **DO NOT DROP OFF OR PICK UP SWIMMERS AT THE WILDCAT.**

Pool Access

Enter the Baker Sports Complex through the balcony doors from the courtyard area on the far side of the pool. Be aware that the other doors in the building are alarmed. Parents are welcome to watch practice from the balcony area.

All SwimMAC swimmers and spectators must remain in the balcony area until the Davidson College swimmers have left the pool deck. If the restroom is needed before that time, please go through the front entrance and ask to use the bathrooms on the top floor.

During practice, members must stay in the pool area. Use the swimmers' bathrooms in the locker rooms located downstairs in the hall just outside the pool area. Other areas of the Baker Sports Complex are off-limits. Children should be closely supervised as a courtesy to others and for their safety.

Locker Rooms

Swimmers must stay in the pool area or the locker room at all times. Leave the pool area and the locker rooms as you found them. Turn off the showers, pick up trash, and don't leave locks on the lockers.

The locker rooms should be considered as a place to change before and after practice. Not a place for swimmers to play. Be respectful of other groups and remember that you are a guest in the facility. Use the same common courtesy you would use if you were a guest in someone else's home.

Food and Drinks

Food or drinks (other than a water bottle for training) are NOT allowed in the pool area or locker rooms. SwimMAC family members and swimmers are not allowed to use the Baker Sport Complex vending machines.

If you have questions regarding the above policies, please see one of the SwimMAC coaches.
